BOWLING

FASTLANE

EXPERIENCE BOWLING

At ASI, we provide end-to-end bowling solutions, guiding you through every step, from initial planning to the final roll of the ball. Our comprehensive approach is tailored to your unique needs. From assisting in the selection of the right equipment to installing lanes, furnishing the space with suitable furniture, we leave no stone unturned in ensuring your bowling alley exceeds expectations.

Successful bowling centers develop an environment that draws customers in and keeps them returning, thus driving F&B. At ASI, we embody this ethos with our 'Make it Social' approach, ensuring that every aspect of our comprehensive solutions not only enhances the bowling experience but also fosters social interaction and community engagement.

So whether you are modernizing an existing center or building the next social bowling experience, we at ASI offer everything you need in collaboration with Brunswick, from the pinsetters to the front desk.

STATE OF THE ART PINSETTERS

Brunswick pinsetters set the industry standard for performance and reliability, evolving with your business needs. Designed to reduce labor, enhance the guest experience, and lower ownership costs. With BOOST ST STRINGPIN or GS NXT, you're guaranteed top performance from installation and for years to come.

BOOST ST SPORT TECHNOLOGIES

Boost ST string pinsetter incorporates advanced sport technologies to elevate performance, safety, operational efficiency, and the bowler experience.

COMMERCIAL GRADE RELIABILITY

Boost ST is built tough. Steel frames, phenolic-covered kickbacks, and locking ball doors deliver durability and long-term reliability unmatched in string pinsetters.

LOW LABOR AND OPERATING COST

Boost ST reduces costs with self-detangling technology, modular components, and intuitive touchscreen controls—no mechanic needed.

INDUSTRY CERTIFIED

USBC-certified for competitive play and built on Brunswick's proven GS free-fall engineering.

GS NXT PINSETTER

The GS NXT is the next generation of free fall GS® Series pinsetters. Brunswick's years of experience, advanced engineering expertise, and ability to integrate the latest technology have culminated in the most forward-thinking pinsetter ever designed.

The GS NXT delivers all the advantages of GS Series pinsetters, with improvements designed to reduce labor requirements, enhance the guest experience, reduce the cost of ownership, and provide peace of mind. The Brunswick GS NXT is the only free-fall pinsetter powered by technology capable of growing with your center's evolving business needs.

SIMPLE TO MAINTAIN

Easy access to all motors and drive trains from the lane surface

UNSURPASSED RELIABILITY

GS NXT's mechanical scoring ensures that bowlers' scores are always accurate.

EXTREME EFFICIENCY

Runs on three-phase power for higher quality, more efficient motors and only requires one source to power two pinsetters.

LANE SYSTEM

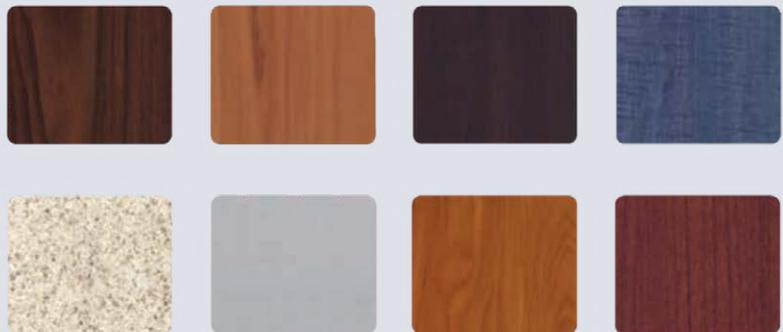

Improve scores, eliminate downtime for repairs, and make your center gleam with the best-selling bowling lanes ever made. Whether you choose Pro Lane™ - the best-selling lane of all time or Anvilane™ - the solid value choice, you won't be disappointed.

Anvilane™ Provides an optimal bowling experience through its distinctive features. Outlined boards guide bowlers for accurate play, while robust, 3/8" (0.95 cm) thick panels ensure durability.

Colorfull™

For a more sophisticated feel, you can also create lanes in a wide variety of wood grain options or turn up the fun by creating bright, colorful lanes using almost any color in the spectrum.

Ultimate Lanes

Centers that want to create a distinctive themed environment for casual bowlers and families can create a custom, colorful design that's visible by day and also produces an ultra-cool glow effect under black light.

NITRO BOOST LIGHTING SYSTEM

Experience the future of bowling with Brunswick's Nitro Boost Lighting System.

BOWLING

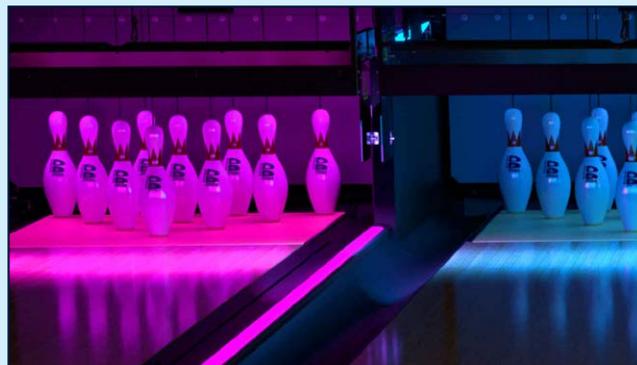

NITRO BOOST PIN DECK LIGHTING

Experience high-octane entertainment with Nitro! Choose from preset shows or craft your own explosive effects for strikes and spares. It's compatible with Sync and non-Sync scoring, controllable via the Brunswick Cloud on any device. Create center-wide light spectacles or VIP zones with countless light patterns, color, speed, and sequence possibilities.

NITRO BOOST DIVISION LIGHTING

Nitro boasts 759 programmable LEDs per division, offering a full spectrum of colors for a captivating center-wide light display. With dynamic preset effects and the user-friendly Nitro Show Manager, you can craft custom atmospheres, celebrate bowlers' achievements, and mark holidays. Endless combinations of patterns, colors, speeds, and sequences await.

DUCKPIN SOCIAL

THE BOLD NEW ATTRACTION THAT'S BURSTING WITH PERSONALITY AND PROVEN REVENUE-GENERATING POSSIBILITIES THAT DELIVERS ALL THE FUN OF BOWLING IN FAR LESS SPACE.

Like bowling, Duckpin Social appeals to young and old, drives food and beverage sales, keeps guests on the property longer, encourages repeat visits, and builds guest loyalty. For operators, Duckpin Social's small footprint maximizes revenue per square foot, requires minimal lane and pinsetter maintenance requirements, yields cost savings for the center. For guests, Duckpin Social delivers all the fun of bowling while keeping it simple. No searching for the right ball or changing shoes. It is truly social. Players don't need to hunt for a particular ball (one size fits all) or rent shoes (wear your own!).

WHY DUCKPIN BOWLING?

COST SAVING - With Duckpin Social lanes, you will need far less space to create an all-age group bowling experience, thus saving on space to add more variants to your operations and space rentals.

DYNAMIC - Designed for restaurants, bars, entertainment centers, resorts, community living—anywhere and everywhere, people gather for fun. Delivers maximum fun (and revenue) in a mere one-third of the space required for standard bowling.

CAPTIVATING - Players don't need to hunt for a particular ball (one size fits all) or rent shoes (wear your own!). Easy for kids to enjoy but challenging for adults to master.

DISTINCT - With hundreds of entertainment options, customers seek social, engaging experiences; Duckpin Social creates a unique and lasting impression that builds loyal customers.

REWARDING - Sync Scoring tablets drive F&B revenue with on-demand service, while the Sync Center Operating System's automated, cloud-based marketing platform cross-promotes, upsells, and keeps your business top of mind.

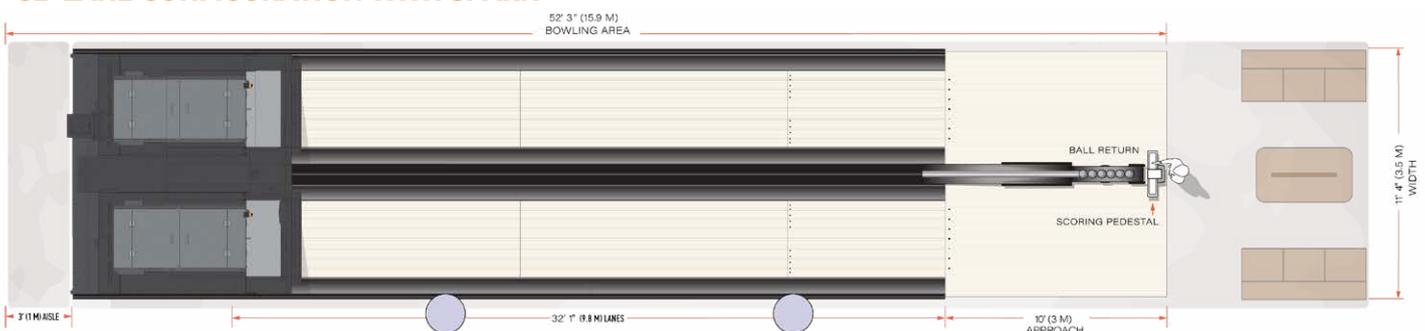

EASYGOING - Duckpin Social's compact, durable StringPin pinsetter features fewer parts and adjustments than the traditional kind; it even auto-detects any tangles and automatically rights the pins.
